PROFILE ME

An experienced self-taught web developer. Having owned and developed an online digital agency that provides web based services like web/mobile app development and design. Expertise in developing, testing and maintaining web applications using html, css, javascript and other frameworks and libraries like react, react native, redux and nodejs. Known for being a cheerful, caring, practical, motivational and commercially minded team-player. A lover of life and people, aiming to create a healthy work environment, gain valuable experience and help others grow their skills.
