PROFILE ME

An experienced self-taught web developer. Having owned and developed an online digital agency that provides web based services like web development and web design. Expertise in developing, testing and maintaining web applications using html, css, javascript and other frameworks and libraries like react, redux and nodejs. Known for being a cheerful, caring, practical, motivational and commercially minded team-player. A lover of life and people, aiming to create a healthy work environment and help others growing their skills.
